Description

My name is Tayla Green. I have been in 4-H for 13 years! I will be this year's Senior Swine Royalty. I love showing my hogs and ducks at the Greene County Fair. I love working on Assembly Building projects and sharing my experiences with others. I recently graduated from Fairborn High School after completing the Video and Animation program at the Greene County Career Center. This is my last year in 4-H and will be attending the Modern College of Design in the fall.
