Offering Market Goat (Meat and Dairy)

Description

I will be a senior at Greeneview HS in the fall. I am serving as President for my FFA chapter for the upcoming year. This year I am showing market turkeys and market goats. This is my first year showing goats and it has been an incredible experience! Learning to adjust feed and nutrition needs for a whether has been a lot of fun coming from a poultry history. I will be using money from my sales to continue to increase the amount of goats I would like to show next year. After graduation I hope to further my education by going into the Vet Tech field. Thank you to all of the buyers for supporting me and my passion for animals!
