Offering Pen of 3 Chickens

Description

I am excited to be participating in the small animal auction this year for the 6th year, once again raising meat chickens. I also show my rabbit and participate in various 4-H service projects through the year. Outside of 4-H, I am a junior at NDCL and participate in golf, lacrosse, Student Activities Board, and service work like inner city missions, building beds for children, and volunteering in my parish community. My years of experience in 4-H have helped me learn responsibility and how to balance club life, school, and work with my faith and family time.
