**More Info** Basketball and track are two sports I really enjoy because they help me stay active and push myself to get better. I also like spending time at church where I can learn more about my faith. When I'm not busy with school or sports, I love hanging out with my friends and reading books. I'm a member of National Junior Honor Society, and I think it's cool to be part of it because it focuses on doing well in school and helping others.
