Type of Sale Add on ONLY- Donation to exhibitor no possession

Offering Poultry

More Info I'm passionate about engineering and enjoy hands-on projects that let me build and problem-solve. Outside of that, I play intramural soccer and help out on my family's chicken farm. We raise both fancy breed chickens, which I help care for daily, and meat chickens in larger batches. Working with the chickens has taught me a lot about responsibility, animal care, and the business side of farming.

Description

Parents Name Jennifer McDermott, **Projects** Poultry

Quantity: 1
