**More Info** My name is Alia Hester. This is my 9th year in 4-H. I enjoy raising market chickens, turkeys, and goats. I am appreciative of my family because they support me and help me raise my animals. Although raising and showing in 4-H requires a lot of time, I also enjoy playing volleyball, going hunting, and hanging out with my friends. I hope to become a Veterinarian or to work in the medical field someday. Thank you to the Buyers for helping to support me and other 4-H kids with their projects.
