Type of Sale Premium - Buyer does not take possession

Offering Heifer

Description

My name is Ann Exhibitor. I am a 5th grader at Franklin Elementary School. This is my 3rd year to show. I had two goat projects this year that I was not able to show due to our county fair being cancelled and the State Fair being cancelled. I appreciate any add-on money. It will help me recoup expenses and perhaps go towards buying my project for next year. Thank you in advance for your support.
