Description

My name is Connor Metcalf, and I have one excellent market sheep ready for you! I am part of the Black Sheep 4H club and this is my third year showing sheep. I am excited that I get to go to the fair this year, as there wasn't one last year. My sheep is called Sir Winston Leonard Spencer Churchill, but I call him Winston. Winston is a Suffolk cross breed. He is a healthy weight, and is exercised every day. He eats quality food. Winston lives with my brother's sheep to keep him company. My end goal is to get enough money to buy a decent graphic card and more storage for my pc.

Thanks to TCYMAS for all they do and to the Black Sheep 4H group!
