Tag ID 1599

Type of Sale Premium - Buyer does not take possession

Description

My name is John Exhibitor. I am a 7th grader at Franklin Jr High School. This is my 5th year to show. I had two steer projects this year that I was not able to show due to our county fair being cancelled and the State Fair being cancelled. I appreciate any add-on money. It will help me recoup expenses and perhaps go towards buying my project for next year. Thank you in advance for your support.
