Description

The Geauga 4H and Berkshire communities suffered a devastating loss on September 8 when there was a house fire and, tragically, Chloe Sharp and her mother, Katie Heiden, passed away. Chloe was a member of Breeders & Feeders 4H club and a 4th grader at Burton Elementary School.

We are asking for our community to pull together to help Chloe and Katie's family during this difficult time. 100% of all donations will go to an account at Geauga Credit Union that was setup for the family.

Quantity: 1
